Frequently asked questions

1. Does the listed price include commissions and additional fees?

Yes. The owner covers the costs related to the transaction, including administrative processing and delivery to a nearby location or insured home transport. You will only pay the amount shown on the invoice, with no additional charges.

2. Can I inspect the vehicle before accepting delivery?

Yes. When the vehicle is delivered, you may inspect it personally or with a trusted mechanic. If you are not satisfied, notify your assigned representative before completing the transaction.

3. Can I request delivery to an address different from the one on my ID?

Yes. After confirming the pre-reservation, you can send the payment receipt and the address where you would like to receive the vehicle. You may also request delivery to a nearby branch or dealership, subject to availability.
